Yardi Investment Suite

YARDI CONNECTED SOLUTIONS

A Single Source of Truth for Investment and Property Data with Yardi Connected Solutions

Gain full transparency from investor to asset operations with Yardi integrated software for real estate investment, asset and property management.

CENTRALIZED DATA

Standardize your property management systems across all assets to interconnect your data and ensure consistency.

COMPLETE VISIBILITY

Provide real-time visibility from investor to property data, eliminating manual data transfers and ensuring all teams work with the same and latest information.

SPECIALIZED TOOLS

The Yardi ecosystem includes specialized tools for every asset class, from multifamily, office and industrial to coworking, senior living and military housing.

YARDI CONNECTED SOLUTIONS

DATA INTEGRITY

Escape data silos by accessing property, lease and tenant data instantly to improve accuracy, simplify reporting and accelerate book closing.

TIMELY ANALYSIS

Unlock real-time asset performance insights to enable faster, more-informed decisions, without waiting for periodic reports.

INVESTOR RELATIONS

Respond to investor inquiries faster and publish reports directly on the investor portal by gaining instant access to property metrics.

PROCESS SCALABILITY

Provide a repeatable onboarding process for new fee managers and ensure seamless data continuity during transitions.

OPERATIONAL EFFICIENCY

Reduce operational costs and eliminate manual data reconciliation so your teams can focus on high-impact strategic work.

COMPLETE VISIBILITY

Expand visibility into property data to portfolio and asset management teams to facilitate informed discussions with asset operators.

Manage your real estate investments and acquisitions with the **Yardi Investment Suite**, leverage **Yardi Voyager** for your accounting and property management needs and enhance asset oversight with **Yardi Elevate** tools for forecasting, valuation and facility management.
