

Yardi Investment Suite

ACQUISITION MANAGER

Centralize investment deal pipeline, gain insights into decision-making and maximize ROI

Optimize your real estate acquisition and disposition processes with a centralized deal management solution. Enhance decision-making and maximize investment performance with a platform designed specifically for real estate professionals to streamline the deal pipeline and achieve better outcomes.

MANAGE INVESTMENT DEAL PIPELINE

Centralize all deals and documents in a single pipeline, ensuring visibility and collaboration across all stakeholders in your organization.

MANAGE TASKS

Close deals faster by ensuring timely completion of tasks and due diligence checklists, enhancing efficiency and reducing delays.

STREAMLINE OPERATIONS

Integrate with Yardi Voyager to seamlessly add acquired properties and portfolios or leverage existing property data for dispositions.

ACQUISITION MANAGER

CENTRALIZED PIPELINE

Streamline your acquisitions and dispositions pipeline by managing all properties in one location, eliminating manual spreadsheets.

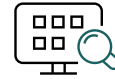

ACCURATE PROPERTY DATA

Access Yardi commercial property data for deal sourcing and leverage your Yardi Voyager data for dispositions.

DEAL UNDERWRITING

Underwrite deals and compare projections and valuation scenarios to optimize cash flow and ROI. Integrate with Yardi Voyager to track actual performance against underwriting.

PORTFOLIO DEALS

Track multiple properties within portfolio deals, providing a comprehensive view of acquisitions and dispositions.

WORKFLOW MANAGEMENT

Manage workflows, to-do items and due diligence checklists efficiently during the deal review. Set reminders to ensure tasks are completed on time.

EXTERNAL-FACING DEAL ROOM

Provide brokers, lenders, appraisers and counterparties secure access to retrieve documents and complete acquisition or disposition steps.

CUSTOMIZABLE DATA & ATTRIBUTES

Tailor data entry to fit various asset classes and investment strategies. Track unlimited user-defined attributes.

DOCUMENT MANAGEMENT

Collect and manage documents in a single location within Yardi Acquisition Manager or integrate with Microsoft 365 SharePoint.

Yardi Acquisition Manager centralizes your deal pipeline and document management, streamlining workflows and deal analysis. Review buy/sell investment details and cash flow to quickly decide on deals that maximize ROI.
