Yardi Energy

BUILDING PERFORMANCE STANDARDS DASHBOARD

See BPS compliance across your portfolio

Turn benchmarking data into a clear view of program applicability, deadlines, status and progress toward performance targets.

PRIORITIZE WITH CONFIDENCE

Identify properties subject to BPS requirements and track compliance due dates.

SEE RISKS SOONER

Compare performance with applicable targets, identify where action is needed and prioritize attention across your portfolio.

ALIGN YOUR TEAMS

Give sustainability, energy, operations and leadership teams a consistent view of status and next steps.

FEATURES

BUILDING PERFORMANCE STANDARDS DASHBOARD

PORTFOLIO VISIBILITY

See property counts, BPS coverage, compliance status and energy and water standards across your portfolio.

FLEXIBLE FILTERS

Narrow your view by property, property attribute, BPS program and compliance year. Search and save views.

PROPERTY SUMMARIES

Review the applicable program, due date, executive summary and energy and water targets for each property.

PERFORMANCE TRACKING

Compare annual performance with required targets and understand the path to compliance.

REVIEW & EXPORT

Monitor progress and share performance summaries across your team.

NEXT STEP GUIDANCE

Know which criteria are met and if further review activity or submissions may be needed.

POWER YOUR PORTFOLIO

Move your business forward with the Yardi Energy Suite, a single connected solution that unifies energy management and property operations. Let's connect and explore what's possible for your business.
