COMMERCIALCAFE WHITE LABELING

Brand every
touchpoint with
a portal your
tenants will love

Create a seamless tenant experience with a portal branded to match your business. Built natively on Yardi's CRE accounting solution, CommercialCafe brings payments, work orders and retail sales tracking into one self-service portal that functions as an extension of your team.

BRAND EVERY INTERACTION

Deliver every tenant service through a portal and app that look and feel like your brand.

SIMPLIFY RENT PAYMENTS

Give tenants an online or mobile destination for paying rent in their preferred method.

GET REAL-TIME UPDATES

All payments update Voyager 8 Commercial in real time, so your books are always referenceable and never behind.

FEATURES

COMMERCIALCAFE WHITE LABELING

PAYMENTS AND ACCOUNTING

Tenants pay you, not a third party. Your branded CommercialCafe web portal and mobile app let tenants use multiple payment types without leaving your ecosystem.

WORK ORDERS

Tenants submit and track work orders without calling, emailing or visiting the office. Send work orders to technicians' phones and track the status in Voyager 8 Commercial or Facility Manager.

COI COMPLIANCE

Gather tenant insurance information without calls or emails. Send automated document requests via mobile and email notifications and monitor compliance in real time.

MOBILE ACCOUNT MANAGEMENT

Let tenants communicate, manage their accounts and pay rent on the go with a mobile app customized for your brand.

DOCUMENT ACCESS

Give tenants access to key documents without having to reach out to property management. Leases, amendments and more live in your branded portal.

TENANT COMMUNICATIONS

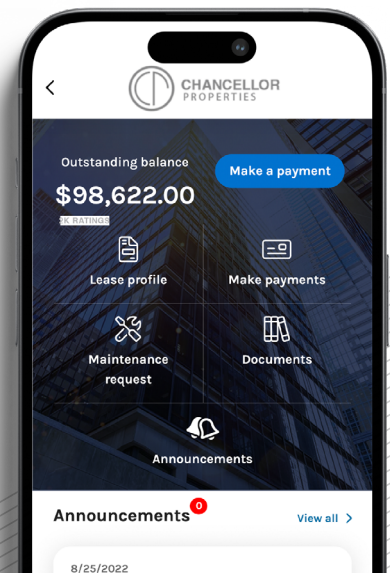

Make communication fast and easy. Publish announcements, reply to texts or send emails, all with your branding.

WHERE YOUR BRAND MEETS YOUR TENANTS

From payment to renewal, every interaction happens in your branded portal and app to create a seamless, satisfying tenant experience.
