Yardi Energy

ENERGY STAR BENCHMARKING

Meet benchmarking and reporting needs

Simplify ENERGY STAR® benchmarking, GRESB reporting and building performance standards compliance with a full service solution that turns utility data into verified submissions.

SAVE TIME

Eliminate manual data entry and let Yardi set up vendor links and complete your submissions when needed.

GAIN ACCURACY

Submit engineer-verified data on time and avoid noncompliance fines.

IMPROVE BENCHMARKING

Track how properties rank over time with dashboards that bring multiple sources into one intuitive platform.

FEATURES

ENERGY STAR BENCHMARKING

ENERGY STAR BENCHMARKING

Avoid noncompliance fines with engineer-verified data, backed by our status as an ENERGY STAR Partner. Support certification with a site visit and professional engineer stamp.

GRESB REPORTING

Get a full service GRESB offering as a GRESB Global and Data partner with API access to the full reporting system.

BUILDING PERFORMANCE STANDARDS

Meet building performance standards across your portfolio, starting with ENERGY STAR benchmarking.

POWER YOUR PORTFOLIO

Move your business forward with the Yardi Energy Suite, a single connected solution that unifies energy management and property operations. Let's connect and explore what's possible for your business.
