

Yardi Energy

FULL SERVICE MAINTENANCE (FSM)

Maximize utility expense recovery with proactive submetering

Protect your utility recovery dollars with a dedicated field services team that monitors, advises, schedules and services your utility submeters. Increase asset value by lowering costs, reducing risk and improving budget certainty through proactive submeter system maintenance.

OPTIMIZE & ASSESS

Identify issues early and protect recovery with clear system rehabilitation options.

REPAIR & REPLACE

Restore performance quickly with expert submeter and AMR equipment service.

REPORT & REVIEW

Stay informed with monthly reads and quarterly summaries from qualified Yardi technicians.

FEATURES

FULL SERVICE MAINTENANCE (FSM)

PREDICTABLE BUDGET CONTROL

Eliminate surprise repair bills and ensure consistent monthly expenses that simplify forecasting and protect NOI.

MAXIMUM RECOVERY PERFORMANCE

Maintain system uptime and utilization to keep utility recovery as close to 100% as possible.

REDUCED REVENUE RISK

Minimize lost revenue and costly system repairs while protecting compliance in regulated markets.

REGULATORY EXPENSE PROTECTION

Limit revenue loss where estimation is restricted and support accurate, defensible billing practices.

VALUE-DRIVEN MAINTENANCE

Increase property value with a well-maintained submetering system backed by full-service support.

COST-NEUTRAL SERVICE OPTION

Benefit from Full Service Maintenance at no cost to properties where service fees can legally be passed through to residents.
