

Yardi Voyager®

VOYAGER AFFORDABLE HOUSING

Manage affordable housing with ease and confidence

Take Voyager to the next level with Compliance Manager, a powerful new interface built in to Voyager Affordable Housing that maximizes the benefits of the Yardi Affordable Housing Suite.

SIMPLIFY ACCOUNTING

Give your team one clear system to manage payables, receivables and budgets with ease.

IMPROVE COMPLIANCE

Support your staff with simplified workflows that automatically adjust to program type.

INCREASE OVERSIGHT

Find data and run reports with easily navigable flyout menus and dashboard graphs.

FEATURES

VOYAGER AFFORDABLE HOUSING

PROPERTY MANAGEMENT

Help your team manage property maintenance, unit inspections and resident services in one connected system that supports every stage of occupancy.

FINANCIAL MANAGEMENT

Give staff the tools to oversee accounting, budgets and reporting with confidence, all built for affordable housing.

MOBILITY

Keep connected with Compliance Manager for mobile access to certifications, income and asset verifications, maintenance tracking and inspection oversight.

COMPLIANCE & REPORTING

Reduce workloads and risk with digitized certifications, guided workflows and audit-ready data.

UNIFIED DASHBOARD

Manage all housing program requirements in one place. Compliance Manager unifies certifications, file reviews and reporting into a single dashboard that highlights pending actions and helps ensure accuracy across portfolios.

THE PERFECT BLEND OF SIMPLICITY & PERFORMANCE

Yardi Compliance Manager offers a streamlined interface that makes daily operations easier for everyone from accounting, to site managers, to compliance specialists and more. Keeping everything in the cloud, Compliance Manager users have access from virtually anywhere.
