

WORKCAFE FOR TEAMS

The one platform your team needs to work from anywhere

WorkCafe for Teams is the all-in-one workspace platform for hybrid and distributed companies. Book from over 3,000 coworking spaces worldwide, reserve desks and meeting rooms at your main office and manage visitor check-ins — all from one place, on desktop or mobile.

ENJOY GLOBAL ACCESS

Give employees on-demand access to thousands of vetted coworking spaces in cities worldwide.

CONTROL THE SPEND

Set team budgets and policies, then track spend and usage from one admin dashboard.

SEE HOW SPACE IS USED

Track workspace utilization across every work environment to optimize costs and plan for future growth.

FEATURES

WORKCAFE FOR TEAMS

COWORKING NETWORK

Instant access to a global network of 3,000+ coworking spaces across hundreds of cities.

HQ BOOKING

Desk and room scheduling, interactive floor plans and attendance visibility at the office.

VISITOR MANAGEMENT

Guest pre-registration, digital check-in and security audit logs at your locations.

SPEND CONTROLS

Team budgets, group policies, and approvals that keep workspace costs predictable.

REPORTING & ANALYTICS

Employee space utilization and spend insights in a single dashboard.

INTEGRATIONS

Connect SSO, HRIS, Google and Microsoft Calendar, Slack and Teams.

POWER YOUR PORTFOLIO

WorkCafe brings coworking access, office booking, visitor management and spend reporting into one platform built for the way hybrid teams work. Workspace access, office management and spend control in one platform. Built for hybrid work, not retrofitted for it.
